

Buildings and Grounds- 2024

In addition to routine lawn maintenance at the and Church, and snow removal at the Church, there are several one- time items completed in 2024.

Completed projects:

- Repaired window in basement, south side, one more to repair
- Church boiler was inspected in June.
- Hosted two cookouts (lawn sale/ USA/Canada weekend), also Church picnic
- Routine bldg. maintenance occurred monthly (e.g light bulb replacement)
- Ramp repairs continue with support replacement and deck board repair
- Raked, bagged, leaves and branches at Church
- Fire extinguishers were repaired/replaced in Church, 6/24
- Had the lawnmower repaired
- Dick updated on-line video services for UPC Sunday worship. Many thanks to Dick for this difficult project

Items to be addressed in 2025

- Paint Church outside doors wood trim
- Monitor need for cleaning services
- Repair Church door locks
- Evaluate Fellowship hall overhead light replacement
