

Buildings and Grounds - 2025

The following were completed in 2025:

- Annual boiler inspection by insurance company's contractor – passed, no issues;
- Annual fire Extinguisher inspection – passed, no issues;
- Change of Fire/Smoke alarm service due to lack of proper contact with emergency services if/when needed.
- Replacement of rails on exterior steps at door from Kitchen,
- Repair/replacement of security lighting after inspection by local building inspector.
- On-going exterior maintenance, eg.:
 - Lawn mowing,
 - Ice removal (thank you Wayne Shourds and Tim Towner),
 - Snow removal contract with Mark Jessman renewed,
 - Participation in "Patriot Pride Day".
